Best Eco-friendly Resorts in Lonavala

Nature and [resorts in Lonavala](#) are synonymous and go hand in hand. The beautiful hill station even with such rampant commercialism is still a nature haven and a nature lover's delight. Its cooling weather, its crisp winds, its greenery and the incredible flora and fauna that it still resides within itself is a marvel to behold. While a lot of people want to drive to Lonavala to have a good time and to party the weekend away, there are still many who would want to come and really appreciate its beauty for what it is.

This is why, while there are a slew of [Lonavala resorts](#) and hotels that have contemporary activities, adventure parks, water parks so on and so forth. There are also some novel and interesting thematic nature [resorts near Mumbai](#) and treehouse hotels. These nature resorts provide the nature starved with a wonderful avenue to once again connect with nature. Not all of them are rustic and most certainly anything less than comfortable. In fact some of these can put you in the midst of a forest and yet give you a luxurious experience.

We have compiled a list of some of these nature resorts which we believe one should go visiting to help themselves reconnect with all that is natural, pure and incredible while on a holiday.

Phoebe Farms

Phoebe Farms allows you to experience staying in a cosy tent amidst the beauty of nature. In addition to having a pool within the farm, Phoebe Farms even lets you bring along your furry friend without extra charges! You could consult the stay authorities to set up a barbeque for you as well. A one night stay will cost you Rs 7500.

The Whey Side

Wake up to a scenic hill-view at The Whey Side. With a pool and a beautiful garden in the vicinity, the cottage also has an outdoor fireplace. You can bring along your pets for an extra charge. The Whey Side can also help plan your itineraries too! You can stay at this pet friendly nature loving abode for Rs 6500 a night.

Tooth Mountain Farms

Tooth Mountain Farms ensures that you live amid nature in an up-close and personal way. Decorated with generous amounts of pristine and unspoilt natural beauty, the cottages here also have an actual farm with fruits and vegetation growing in abundance. In addition to a beautiful poolside, the Farm also provides cycling options, if you want to pick one and bring out your inner explorer! A night's stay is worth Rs 8500.

Amreena Farmhouse

Amreena Farmhouse takes you away amongst the hills. This desolately placed but beautifully located abode is known for the warm hospitality from its hosts. The farmhouse also serves woodfire-cooked food! An ideal place to wash away the troubles of the week while you lay in quiet contemplation or then a sense of gay abandon. Stay here at Rs 4500 a night.

Private Lodge

In the Private Lodge you can enjoy camping in the foothills of Shirota forests. The accommodation is a comfortable stay in addition to the rustic vibes away from the usual city life. Along with their typical menu, they can even arrange a barbeque and campfire for you! You can also expect a beautiful open space in the vicinity. Stay in Kamshet at this awesome location for Rs 4500 a night.

The Machan

This property is probably one of the best nature centric properties not just in India but across Asia. Live in tree houses which are 45 feet above the ground level and hundreds of feet apart from one another. Each Machan is a luxurious experience with plunge pools, bath tubs, open decks, delicious and wholesome food, a spa, barbeque and bon fire experiences on demand, yoga, nature trails and birding expeditions to just name a few. We truly saved the best for last with this property. Machan Rooms start at Rs 15,000 a night.

We trust this list of [nature resorts](#) has enlivened the natural explorer in you. It's time to load up and indulge in all things natural on your next trip to Lonavala. Until then be sure to keep travelling and make some awesome and happy travel memories when you do.
