Professional Carpet Cleaning San Diego

upholstery cleaning san diego

We are dedicated to providing quality [rug cleaning service](#) to both personal and commercial clients with the highest degree of professionalism and good customer service. Our experienced rug cleaners can clean every type of rug, including wool, cotton, silk, and rayon. The gentle washing and drying method used by CHEM DRY is meant to restore your rug to its original, long-lasting appearance. Inspection, dusting, cleaning, grooming, and drying are all part of our unique cleaning procedure. We provide the finest available solution and services after identifying the dyestuff and fibers of the rug.
