Bridging the Gap in Asia

Who we are

Since its foundation in 2008, [Fly Charters](#) has transformed into a market leader in the charter business – covering everything from on-demand private jet charter to medical evacuations, commercial [aircraft charters](#) and cargo flights. With thousands of passengers flown to almost every destination imaginable, Fly Charters has established itself amongst the most reliable and top performing companies in the charter business.

Throughout the years of our experience, we have kept true to our vision to serve with excellence and to nurture our relationships with trust and honesty. Our team of experts provides global 24/7 support, covering all services from flight booking, the in-flight menu to finding a slot at the busiest international airport.
