## One of the Top Bookkeeping and Accounting Firms in Dubai

---

We are a recognised and registered accounting service provider catering to businesses in Dubai and across the UAE. We offer a comprehensive range of financial solutions that are aimed at helping businesses improve their cash flow and raise their bottom line. We have a team of certified accountants, consultants, and payroll specialists who can develop a more effective system for managing and monitoring the financial health of your business.

### Our Range of Specialised Services Includes:

---

- Creating chart of accounts as per company structure & management requirements
- Preparing and verifying balance sheet as of the cut-off date approved by the management
- Setting up procedures to make sure the financials are recorded accurately
- Advice clients on inventory management
- Recording of monthly transaction including sales, expenses, bank entries, etc.
- Booking of monthly entries including depreciation, accrual, prepaid expenses and etc. before closing the books of accounts.
- Evaluation of financial statements
- MIS reports as per management request (aging report, cost centre analysis, revenue and cost trend analysis)

## Professional Chartered Accounting Firms in Dubai, UAE.
